

CONFIRMATION OF PROFESSIONAL ASSURANCE

CONFIRMATION OF
PROFESSIONAL ASSURANCE

The Corporation of the Village of Fruitvale
1930A Columbia Gardens Road
Fruitvale, B.C.
V0G 1L0

Attention: Village Engineer

Dear Sir:

Re:
(Description and Address of Project)

This is to advise that I am a Professional Engineer licensed to practice in the Province of British Columbia and was retained by the Owner to undertake and coordinate all field reviews and inspections required with respect to this project and took all steps as regulated under The Engineering Act of British Columbia and required by good practices and by the definition of "field reviews" hereinafter set forth in order to issue the following certification.

As used herein, "field reviews" shall mean such reviews of the work at the project site and at fabrication locations where applicable as the Professional Engineer, in his professional discretion, considered to be necessary in order to ascertain that the work substantially conformed in all material aspects to the plans and drawings accepted by the Village of Fruitvale.

The following aspects have been reviewed by me or under by direction and have been found to comply with the engineering drawings and plans submitted and accepted by the Village Engineer.

1.0 Storm Drainage System including, but not restricted to, the following:

- .the location, alignment, size and grade of all pipes and culverts;
- .the spacing of manholes and catch basins;
- .the construction of drywells;
- .materials used for pipes, culverts, manholes, catch basins, pipe and fitting joints, service connections, inlet and outlet structures;
- .materials used for pipe bedding and backfilling of trenches;
- .workmanship in the construction and installation of all materials.

2.0 Sanitary Sewer System including, but not restricted to, the following:

- .location, alignment, size and grade of all pipes;
- .spacing of manholes and catch basins;
- .materials used for pipes, manholes, pipe and fitting joints, service connections;
- .materials used for pipe bedding and backfilling of trenches;
- .workmanship in the construction and installation of all materials.

3.0 Water Distribution System including, but not restricted to, the following:

- .location, alignment, size and grade of all pipes;
- .spacing of hydrants and valves;
- .construction of pumping stations and reservoirs;
- .materials used for pipes, fittings, gate valves, valve boxes, hydrants, service connections, corporation stops, curb stop and boxes, air valves, stops and drains.
- .materials used for pipe bedding and backfill of trenches;
- .workmanship in the construction and installation of all materials.

4.0 Roads including, but not restricted to, the following:

- .alignment, width and grade of all roads;
- .materials used for preparation of road bases and road surfaces;
- .workmanship in the installation of materials.

5.0 Curb and Gutter, Sidewalks, and Boulevards including, but not restricted to, the following:

- .width and grade of sidewalks and boulevards;
- .alignment and grade of curbs and gutters;
- .materials used for preparation of subgrades and surfaces;
- .workmanship in the installation of materials.

6.0 Street Lighting, Electrical and Communications Wiring and Gas Installations including, but not restricted to, the following

- .number and spacing of street light poles and luminaires;
- .materials used for street lighting, electrical and communications wiring and gas installations;
- .materials used for backfilling of trenches;
- .workmanship in the installation of materials.

I certify that the foregoing areas substantially comply in all material respects with the plans and supporting documents, including all amendments thereto, which supported the application for subdivision approval File No. __ which were "accepted" by the Village of Fruitvale.

In addition, significant revisions to the accepted plans and supporting documents have been submitted to the Village in order to depict, as nearly as possible, given my "field reviews" as defined herein, the services as finally designed and built.
